

**REMARKS**

Claims 1 to 27 and 29 are pending in the application; claims 28 and 30-35 are canceled.

According to the examiner's remarks in the advisory action, the claim rejection of claims 28 and 29 under 35 USC 112 has been overcome but claim 27 still stands rejected under 35 USC 102 in view of *Graff*.

Claims 28 and 29 are not rejected over prior art and should thus be allowable. The features of claim 28 have been incorporated into claim 27 so that claim 27 as amended should be in allowable form.

**ALLOWABLE SUBJECT MATTER**

Claims 1 to 26 are allowed.

Claim 27 as amended is believed to be allowable together with dependent claim 29.

**CONCLUSION**

In view of the foregoing, it is submitted that this application is now in condition for allowance and such allowance is respectfully solicited.

Should the Examiner have any further objections or suggestions, the undersigned would appreciate a phone call or e-mail from the examiner to discuss appropriate amendments to place the application into condition for allowance.

Authorization is herewith given to charge any fees or any shortages in any fees required during prosecution of this application and not paid by other means to Patent and Trademark Office deposit account 50-1199.

Respectfully submitted on April 4, 2006,

  
Ms. Gudrun E. Huckett, Ph.D.
